Rocky View County Announces Mr. Brian Henderson as New Chief Operating Officer

October 27, 2025 – Rocky View County, AB – Rocky View County is pleased to announce the appointment of Mr. Brian Henderson as Chief Operating Officer (COO), effective November 24, 2025. Mr. Henderson will provide strategic oversight of the County's Infrastructure Services Division, leading integrated efforts in infrastructure planning, operations, and service delivery to support the long-term sustainability and competitiveness of Rocky View County.

Mr. Henderson brings extensive municipal leadership experience, most recently serving as Chief Administrative Officer for Wheatland County since 2019. Over a career spanning more than a decade in local government within the Calgary region, he has led key initiatives in strategic planning, fiscal responsibility, and capital investment. A Chartered Professional Accountant (CPA, CA), he is recognized for strong financial acumen, a collaborative leadership style, and an unwavering commitment to innovation and operational excellence.

"As Rocky View County continues to grow and strengthen its position as one of Alberta's most dynamic rural municipalities, our focus remains on service excellence, responsible growth management, and advancing the strategic direction established by Council," said Reegan McCullough, Chief Administrative Officer (CAO). "Our ongoing organizational development ensures we are prepared to support a diverse and expanding region, while maintaining the high standards of service, collaboration, and accountability our residents expect. Mr. Henderson's experience in municipal administration and economic development, together with his focus on organizational excellence and collaboration, will be a tremendous asset as we continue to build on our progress."

"I am truly excited to join Rocky View County and be part of such a dedicated and talented team. This is a community with a strong spirit of collaboration and innovation, and I look forward to contributing to the great work already underway as we continue serving residents and supporting Council's vision for the future," said Mr. Henderson.
